

3/16/2020

Dear Valued Residents,

Based on recent information, the Portico team has been working on a proactive plan to minimize our community's exposure to the pandemic, much like we have seen our local and state governments do with respect to school closures, sports cancellations, and limitations on group gatherings. Your safety, health and well-being are our utmost priority. Please note that as of March 16th, each Portico community will be:

- closing amenities/amenity spaces
- postponing all resident events
- discontinuing any and all resident food services/snacks
- doubling cleaning/disinfectant programs in common areas

These precautions will be in place until further notice. We appreciate your patience and will continue to provide updates in the coming weeks.

Thank you,

Portico Property Management
